Girls Rock Cincinnati

is a summer camp for girls and gender-variant youth ages 12-18 to learn and grow through music, art, and community building

Our Values

PUNK / DIY ETHOS

We believe that music is a vehicle for social change

ABUNDANCE MENTALITY

Everyone should have a chance to ROCK. We believe in building generational knowledge through mentorship and freely sharing ideas without incentives.

EQUITY AND COMMUNITY

We believe in building a just and cared-for community by fostering friendships and artistic connections with a focus on equity, inclusion, and accessibility.

EMPOWERMENT

We believe that every camper is their own best advocate and we uplift their voices. We foster growth by building a safe space for them to take risks, be wrong, and be brave in trying new things.

We cultivate a supportive community of peers and mentors, encourage social change, and foster the development of life skills
